

ORCHESTRATE

Supercom recommends Microsoft® Windows® XP Professional

a Touch System

The Touch name has become synonymous with quality and product integrity. Now in its 15th year of manufacture, Touch Systems continue to offer a superior product at a competitive price to the serious PC buyer. Why settle for any white box solution, when you can Orchestrate a Touch System and provide your customers something they can boast about.

Orchestrate Touch Systems with AMD Athlon™ 64 processors

The ONLY Microsoft® Windows®-compatible 64-bit PC processor. With AMD Athlon™ 64 built right into a Touch System you get the best of both computing worlds, this one, and the next. Industry-leading performance today; ready for tomorrow's 64-bit software. Enjoy uncompromising 32-bit performance, seamless 32-to 64-bit migration, and investment protection as you move into the future with confidence.

AMD64 architecture achieves ultra-quiet performance through Cool "n" Quiet technology, which enables frequency and voltage switching for performance on demand. This technology reduces noise and heat at their sources,

Enhanced Virus Protection for Microsoft® Windows XP SP2 is designed to prevent damage from certain viruses, worms and Trojans horses by causing them to become localized, short lived, non-contagious, and are eventually flushed from the system. Enjoy extreme performance and style with AMD Athlon™ 64 processors inside Touch Systems. Visit Touch Systems at: www.touch-systems.ca

Orchestrate your Touch System with a Philips Monitor

Philips monitors bring excellence to the Touch symphony. Bundle a Philips display with your next Touch System and experience the very best technology has to offer. With its 4-year warranty, Philips monitors offer the best "peace-of-mind" coverage in the business. Philips monitors are available in a wide variety of types, sizes and feature set offerings to meet your customer's budget and requirements. Philips monitors are also NMSO approved and listed which makes them top choice for many Canadian federal and provincial tenders.
