Pentium M
ready

Move with style, think with power! The Touch Mobile M5 series is one of the world's lightest dual-spindle notebooks. Its rimless design ensures a comfortable computing experience; there are no external buttons to miss-hit and no sharp edges to snag. The M5 series embodies the spirit of Intel Centrino technology, packing extraordinary performance and robust wireless performance into an ultraportable solution that, with its 7.9 hour battery life, can keep up with you, every step of the way, anywhere, any time.

notebooks as distinctive as you are.
